## **DRESS REHEARSAL:**

Please do not arrive late to Dress Rehearsal. We are on a strict schedule and doing a full run through of the show, in show order; including the grand finale. If the performer misses dress rehearsal they will not be able to dance in the recital. Please plan accordingly. They need to be fully dressed in costume with hair and makeup done.

## **Dress Rehearsal Admittance:**

Due to the strict capacity rules at the theater, only ONE parent/guardian per dancer will be admitted into Dress Rehearsal. If you would like to bring additional guests; please purchase a rehearsal pass for them at the front desk (\$10 per pass). We will sign in each student with their (1) adult at the door, any extra persons MUST have a rehearsal pass to enter.

You may take photos and video at Dress Rehearsal ONLY, absolutely no photography or video will be permitted during the Recital. For Dress Rehearsal, only water is permitted in the theater. Please enjoy food and drinks in the lobby.

## **RECITAL PICTURES:**

Professional photographers will be at Dress Rehearsal to take the Recital pictures. They will be set up in the lobby of the theater. Please note that we will be running the rehearsal in show order and will not wait for anyone. If you would like your child's pictures taken, please plan accordingly. The rehearsal order will go out prior to dress rehearsal and be posted in the lobby.

## **JEWELRY:**

NO JEWELRY PLEASE. Only earring studs are allowed for performance.

## **HAIR & MAKEUP:**

Under the bright stage lights, facial features get washed out and makeup helps the audience see the dancers' faces more clearly. Good stage makeup should look exaggerated, dramatic and bold. You'll need foundation, eyeliner, mascara, eye shadow, blush and bright red or pink lipstick. Parents with dancers UNDER 8 YEARS OLD can omit foundation and eyeliner.

Each class has a specific hairstyle for their routine, usually a bun or ponytail. Please check the MEMBER AREA of our website to find out what hairstyle your dancer needs for their routine. Hair should be pulled back neatly with all fly-away hairs slicked back with gel and hairspray. It is easiest to manage hair that is damp and has gel worked through it before trying to secure into a bun or ponytail.

For more information on proper hair and makeup application, please refer to our **Recital Instructional Video** posted on our website; [www.elitedancepac.com](http://www.elitedancepac.com)

## **SHOES & TIGHTS:**

Each class also has specific shoe and tight requirements for their performance. Please check the Hair / Shoes / Tights Requirement spreadsheet to find out what kind of shoes and tights your dancer needs for each routine. Make sure their shoes and tights are clean; no runs, tears or stains please. All tights MUST be Balera brand for color uniformity; proper tights are available in Twirl.

## **COSTUMES:**

Please hang up and fluff your child's costume as soon as you receive it. It has been shipped and packaged tightly to protect it. By hanging it up, you will help the costume regain its shape and remove wrinkles.

It is very important your child does not wear the costume before dress rehearsal. We want to make sure costumes are in good condition for the show. Please label your child's costumes as well as the inside of their shoes and tights. If your child is in more than one number, please place additional costumes, shoes and tights inside a garment bag with their name on the bag.

## **INFO YOU NEED TO KNOW:**

1. Please arrive 45 minutes before your child's show time at the backstage entrance with their costume on and a COVERUP! Please note you will not be allowed in the front of house without a cover up on. We suggest just a comfortable big tee shirt over their costume. They should also have hair and makeup done and be fully ready for performance. Lobby Doors will open  $\frac{1}{2}$  hour before your child's show time.
2. For the safety of the children, **NO PHOTOGRAPHY AND VIDEO RECORDING** will be permitted in the theater at any time during the show. And for the courtesy of everyone, **NO ONE IS PERMITTED TO STAND DURING THE PERFORMANCE.**

**\*Professional videographers will record the show and DVDs will be available for purchase.**

3. Your child must remain backstage for the entire show. Backstage doors will be closed and there will be no entering during the show. We will inform you if your child needs you. At the end, all dancers will participate in the FINALE and receive their RIBBONS!
4. If you are scheduled to dance in both shows and you do not show up to a show, you will not be allowed to dance in another Elite performance. These are team performances and the dancers have all worked very hard and are all very excited.
5. Please remember ALL of our students have worked incredibly hard for this day. Do not plan on entering late or leaving early, we will close the doors at the start of the show. We appreciate your cooperation in the matter. This day belongs to our dancers!
